If you did not turn in your packet and would still like to, Cherie is still excepting packets/orders until the end of the month. All other packets that have been turned in have been ordered. You will be notified when your orders arrive. ☺

****PARKING LOT****

- ***NO ONE can park in front of the doors.** If your child is not out yet you need to park (in a stall) or go back around in the circle.
- *Do NOT park on the south side of the building. Parents are trying to turn their cars/trucks around in the small road back there and I am concerned about kids coming out of the side doors and not being seen. Cars/trucks are running over curbs and onto the grass as well. Only park in the parking stalls!
- *Only park in the Handicap if you have the tag to do so.
- *Please make sure during busy hours (5-7pm especially) to turn right out of our parking lot. If you wait to turn left it creates a block in the parking lot and no one can move.

Thanks for your help!
